

Centi II

Featuring a strong lockback design, this 2.1-inch stainless steel blade is ready for quick everyday tasks.

Designed to go wherever you go, the Centi knives can easily be carried on any keychain or lanyard. The Centi II is a small and versatile knife made from quality stainless steel and designed to be carried on a key ring or stashed in your pocket. It features a lockback design and 2.1-inch stainless steel blade in a simple design. This tiny tool is thinner than most car keys, but strong enough for light duty cutting tasks. Its full stainless steel construction make this a durable go-to tool. Keep it on you all the time and you'll find its usefulness for quick everyday tasks. It's there when you need it and out of the way when you don't.
