

Pent Arc

Designed for defense carry by military and law enforcement, the Pent Arc is a purpose-built folder featuring a VG-10 blade with fuller, Arc-Lock for smooth operation and strong lockup, and GRN handle with stainless steel liners.

Designed for defense carry by military and law enforcement, the Pent Arc is a purpose-built folding knife featuring a VG-10 blade with fuller, Arc-Lock for smooth operation and strong lockup, and GRN handle with stainless steel liners. The 4.0-inch VG-10 blade has a smooth bead blasted finished to reduce reflection. At 4.4 oz, it is lightweight and easy to slip into a pocket. The GRN handle with stainless steel liners provide a solid feel and balance. The Arc-Lock not only provides smooth operation for one-handed opening and closing, it is also one of the strongest locks available. It can be carried conveniently with its reversible low-carry pocket clip.
