

# Ultra C-Ti

At just 1.3 oz., the Ultra C-Ti makes a great, lightweight folder that doubles as a money clip. It features VG-10 steel blade, carbon fiber handle, and a titanium clip.

At just 1.3 oz, the Ultra C-Ti makes a great, lightweight folder that doubles as a money clip. The minimalistic design of the Ultra C-Ti does not take up much space and even fits comfortably in the small watch pocket of jeans. The 2.8-inch clip point blade opens and closes with one hand smoothly and locks open with our exclusive Arc-Lock. The high quality VG-10 steel ensures that every cut is as sharp as the first. Utilizing carbon fiber for the handle and titanium for the clip, it is light yet strong and durable. Although every bit of excess weight has been engineered out of the Ultra C-Ti, you will be surprised at the power it conveys.
