

Vision Arc

Designed for multi-purpose use, the Vision Arc folding knife features an aggressive design with a VG-10 blade, Arc-Lock for smooth operation and strong lockup, and GRN handle with stainless steel liners.

Designed for multi-purpose use, the Vision Arc folding knife features an aggressive design with a VG-10 blade, Arc-Lock for smooth operation and strong lockup, and GRN handle with stainless steel liners. The 3.8-inch drop point VG-10 blade has a smooth black TiNi finished to reduce reflection. At 4.2 oz, it is lightweight and easy to slip into a pocket. The GRN handle with stainless steel liners provide a solid feel and balance. The Arc-Lock not only provides smooth operation, but is one of the strongest locks available. It can be carried conveniently with its reversible low-carry pocket clip.
